4. CONSEQUENCES

- The AVID program has a two-strike system (unless the offense is deemed excessive). The first offense will result in the signing of a probationary contract by both you and a parent. If the offense(s) are from category one you will have one semester to fix those issues. If the offense(s) falls under category two or three you will be removed from the program if ANY one of the above areas is not met. Example- if you are placed on probation for abusing social media and then your grades falter the following year the AVID elective team may remove you from the program if it is deemed you cannot finish the A-G requirements.
