2025-2026 SCHOOL PROFILE

OVERVIEW

Westminster High School is fully accredited by the Western Association of Schools and Colleges (WASC) and is one of six comprehensive high schools in the Huntington Beach Union High School District (HBUHSD). The District offers an open enrollment policy, allowing families to select any school within HBUHSD provided they meet established guidelines. Our campus spans 57.1 acres and is conveniently located in the City of Westminster—just a quarter mile from the San Diego Freeway (I-405) and two miles from the Garden Grove Freeway (SR-22) on Goldenwest Street. Westminster High School is a large, diverse school community, serving 2,443 students. Of these, 87.3% qualify for free or reduced-price lunch, reflecting the economic challenges many of our families face.

COMMUNITY

The City of Westminster, with a population of approximately 92,000, is home to a richly diverse community. Nearly half of the residents identify as Asian, while 24% are White, 24% Hispanic, and 2% represent other backgrounds. Westminster is largely a blue-collar city, with many families working in trades or operating small businesses. Most of our students reside in apartments or modest single-family homes, often shared with multiple or extended family members. Socioeconomically, Westminster ranks in the bottom 10% of cities in Orange County, reflecting the economic challenges many of our families face.

GRADING AND CLASS RANK

All courses given are included in the GPA and class rank. The GPA is the average of the points assigned to a letter grade (A=4, B=3, C=2, D=1, F=0). +/- grades do not affect the GPA. A grade of "CR" indicates credits were earned. "W" notation indicates withdrawal and "WF" notation indicates withdrawal failure. Weighted classes are designated by the term Honors or Advanced Placement in the title. Class rank is determined using the cumulative weighted GPA.

NOTE: If a student remediated a "D" or "F" grade with a grade of "C" or better, the higher grade is issued to determine GPA.

ADVANCE PLACEMENT COURSES

In May 2025, a total of 1153 AP exams were taken in 24 subject areas.

78.1% of the AP exams received scores of 3 or higher.

SCHOOL & PROGRAM HIGHLIGHTS

- **AVID National Demonstration Site** – Recognized as a model program for preparing students for college success.
- **Career Technical Education (CTE)** – Students can develop technical skills by progressing through pathways in: Agriscience, Animal Science, Automotive Technology, Culinary, Engineering, Entrepreneurship, Graphic Design, Software & Systems Development, Video Game Design, and Woodworking
- **Dual Enrollment with Golden West College** – Students may enroll in free college courses and receive both high school and college credit. Each fall, spring, and summer, more than 20 classes are offered.
- **The Giving Farm** – The largest remaining public-school farm in Orange County. Features include fields of crops, livestock, aquaponics/hydroponics systems, a greenhouse, orchard, shade house, vertical tower irrigation system, and a nature center. Agriculture students and volunteers harvest produce for the Orange County Food Bank.
- **MERITS: Honors & STEAM Magnet** – A specialized program featuring an advanced and rigorous science curriculum, with opportunities to take up to four years of AP science courses. Students also engage in projects, competitions, and internships.
- **PUENTE: A University of California Academic Program** – Designed to help students graduate prepared for and eligible to enroll in college. The PUENTE team supports students through four areas: teaching, writing, counseling, and community leadership. Students complete a college preparatory curriculum with a focus on the Mexican American/Latino experience.
- **Spanish Dual Language Immersion Program (SDLI)** – Beginning in 2025–2026, WHS launched its SDLI program to empower students to become bilingual, biliterate, and culturally competent in English and Spanish. Students benefit from rigorous coursework, cultural enrichment, AP/Honors opportunities, and eligibility for the State Seal of Biliteracy.
- **Title I School** – WHS provides federally funded support services to help all students meet high academic standards.
- **Vietnamese Dual Language Immersion Program (VDLI)** – Launched in 2024–2025, WHS became the first high school in Orange County to offer Vietnamese language courses. The VDLI program builds on over 20 years of celebrating Vietnamese and American culture, fostering bilingualism, multicultural understanding, and global readiness.
